# ROLL-CALL VOTE ANNOUNCEMENTS

The stand or announcement vote changes of members of Congress were inserted into the *Congressional Record* too late for CQ to include on the Weekly Report vote charts. These changes do not affect the final breakdown on the CQ vote charts. The "recorded vote" is the original vote. The "announced vote" is the vote change. Weekly Report page numbers of these votes are indicated so you may bring your Weekly Report charts into conformity with the *Record*.

**NEW! From  
Congressional Quarterly's  
Washington Alert.**

## The inside scoop is right inside Reporter's Briefcase.

**N**ow you can get the inside scoop—in advance and online! With Reporter's Briefcase, Washington Alert's new database, you'll find out where members of Congress stand on the issues and get an edge on legislative action—*before it's official.*

You'll learn *who's* sponsoring *what* pending or proposed legislation, *where* and *when* action is anticipated and *how* support is being won by members. Combine this information with the other 25 Washington Alert databases to strengthen your lobbying efforts, target swing votes or prepare for face-to-face meetings with decision-makers on the Hill.

Best of all, you'll be able to trust the information you find, because Reporter's Briefcase is backed by Congressional Quarterly's 50-year tradition of editorial excellence and nonpartisan legislative coverage.

Open Reporter's Briefcase, and in seconds you'll find the same kind of "inside" information that CQ reporters use to collect facts and develop leads:

### "Dear Colleague" Letters

Correspondence to fellow members — learn what positions members are taking and from whom they're soliciting support.

### Press Releases

Hill press releases issued by the leadership, members and committees announcing positions, policies and action.

### Draft Legislation

Text of proposed bills and chairman's marks. *Only Washington Alert has this valuable information!*

# On and off the Hill, see what people are saying about

## **CQ's HOUSE ACTION REPORTS...**

"There is no substitute for walking into the office in the morning and finding the day's amendments detailed in House Action Reports."

— Brent Ayer, Office of U.S. Rep. Ron Klink, D-Pa.

"We like it and have no intention of stopping. It's terrific information."

— Jim Martin, National Governors Association

"It is one of the major tools we use for briefing our member, preparing ourselves, and dealing with the questions our constituents might have ... We would miss it if we didn't get it on a daily basis."

— Jeff Mendelsohn, Office of U.S. Rep. Frank Tejeda, D-Texas

Members of Congress count on it for its concise and nonpartisan bill summaries ... Hill staffers rely on it daily for the wording of the latest amendments ... Hill-watchers need it to keep tabs on the latest legislative action ... The media depend on the objective pros/cons when the action is heated.
